

# Campaign Sequence - Date Timers

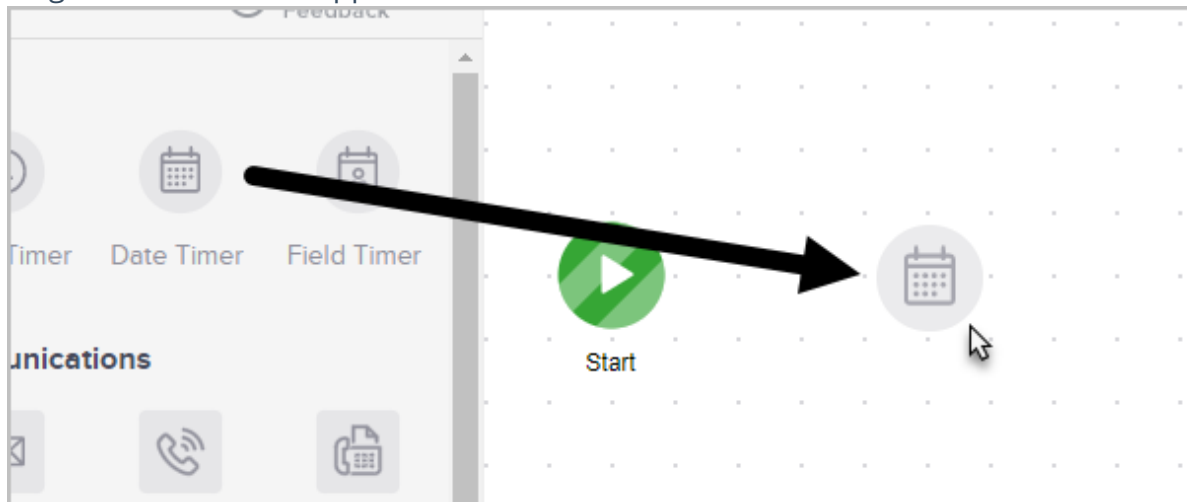

Date Timers allow you to schedule a marketing piece at a specific date and time or within a date/time range.

## Pro Tip!

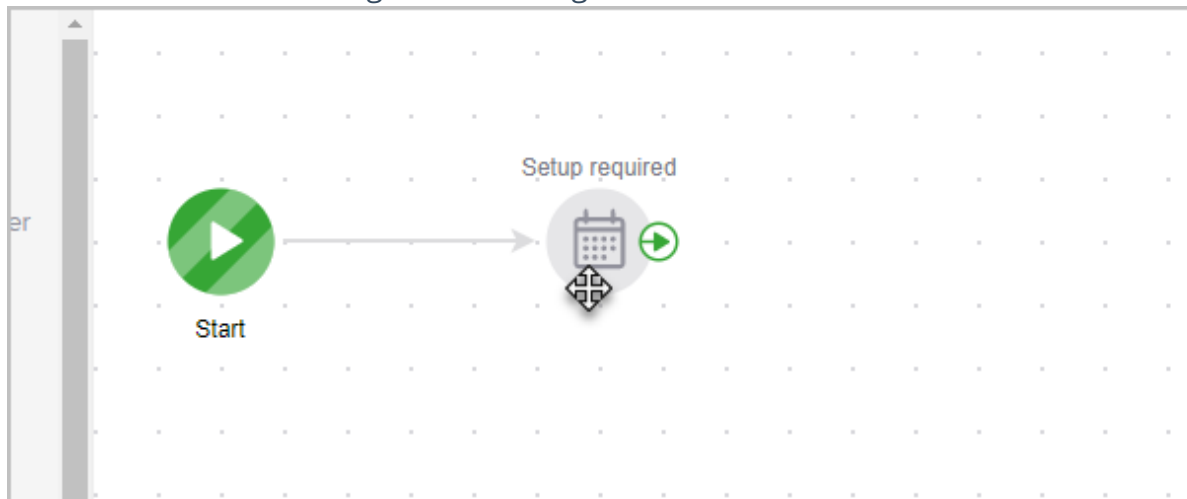

Only one type of timer can be used per "Start" button. Meaning, no Start > Email > Delay Timer > Task > Date Timer. The Date Time would need to be on it's own "Start" button.

1. Drag the **Date Timer** snippet onto the canvas

2. Double-click timer to configure the settings.

3. On the left choose to either:

- Run on a specific date or
- Run between a date range

**Configure Date Timer**

Summary  
Run between **7-23-2019 - 7-25-2019** at **8:00 AM (GMT -07:00) Phoenix**

Run  On  Between

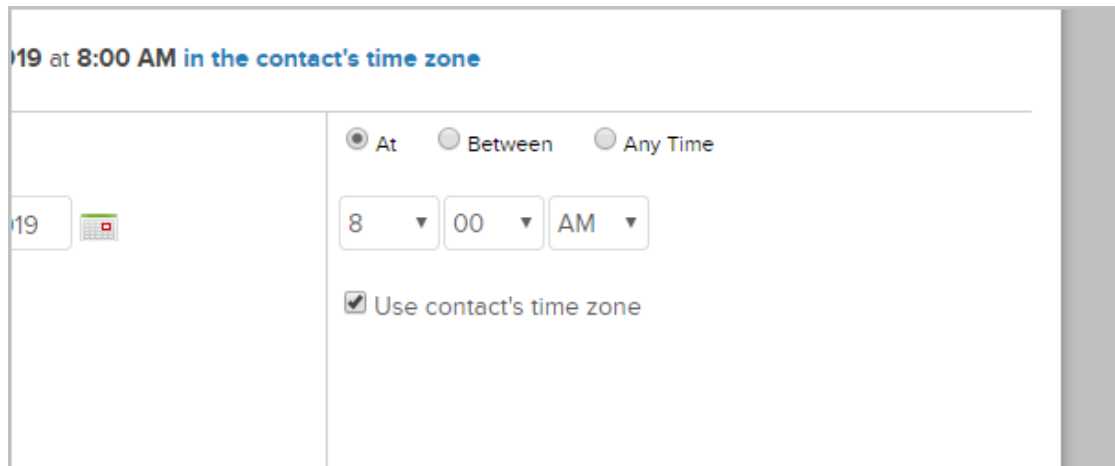

At  Between

07-23-2019 07-25-2019

8  00  AM

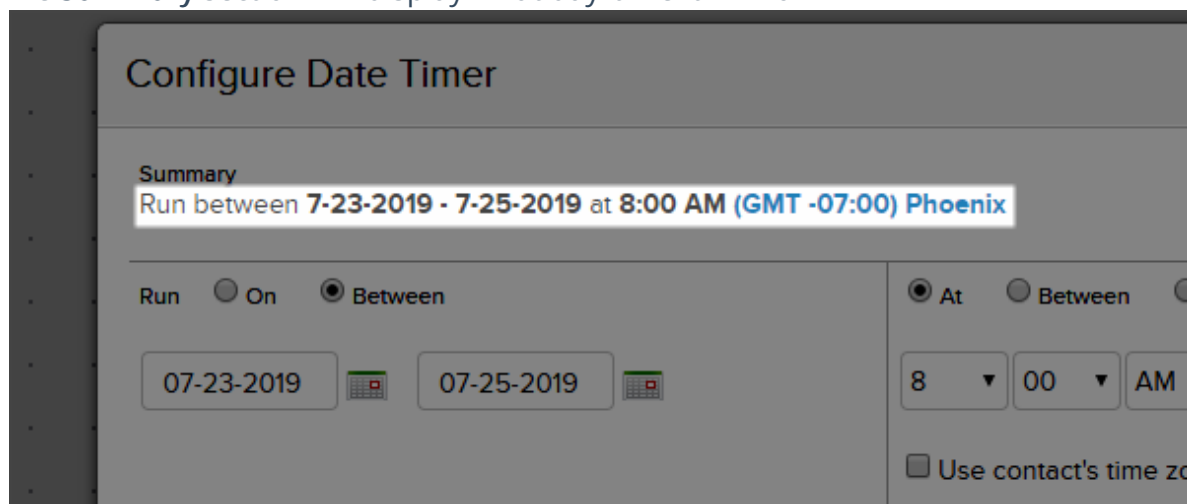

Use contact's time zo

4. The on the right choose to either:
- Run **at** a specific time
  - Run **between** a time range
  - Run **any time** meaning the **Date Timer** will run as soon as the contact lands on the process
  - **Use contact's time zone** will send based on the time zone saved in the contacts record (*optional*)

The screenshot shows a configuration form for a Date Timer. At the top, it displays "19 at 8:00 AM in the contact's time zone". Below this, there are three radio button options: "At" (selected), "Between", and "Any Time". Under the "At" option, there are three dropdown menus for time selection: "8", "00", and "AM". Below these, there is a checked checkbox labeled "Use contact's time zone".

5. The **Summary** section will display what day/time it will run

The screenshot shows the "Configure Date Timer" form. The "Summary" section is highlighted and displays "Run between 7-23-2019 - 7-25-2019 at 8:00 AM (GMT -07:00) Phoenix". Below the summary, there are radio button options for "Run": "On" and "Between" (selected). Under "Between", there are two date input fields: "07-23-2019" and "07-25-2019", each with a calendar icon. To the right, there are radio button options for "At", "Between", and "Any Time" (partially visible). Below these, there are three dropdown menus for time selection: "8", "00", and "AM". At the bottom right, there is an unchecked checkbox labeled "Use contact's time zone".
