# Change The Default Shipping And Billing Country For Online Orders 🔗
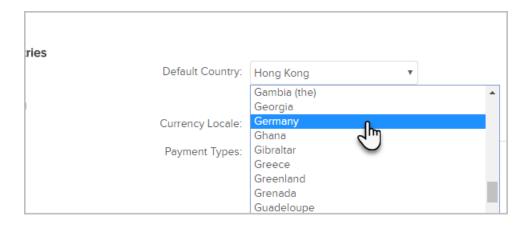

This article applies to:

The default country is pre-selected when a customer checks out through your Max Classic Shopping Cart or Order Form. You can change the default country in the Order Settings.

1. Go to **E-Commerce > Settings** in the master nav.

2. Click on **Orders** in the *Order Settings* menu.

3. Select the **Default Country** from the drop-down.

4. Scroll to the bottom of the settings and click **Save** to apply the update.
