

Who Is WePay?

This article applies to:

WePay closed its UK operations in August 2023. Customers will not be able to add a new WePay connection to their Keap account. There will be more information to come.

WePay is a flexible and easy to use payment processing solution designed specifically as a payment enablement solution for platforms like Keap. WePay is a US based online payment service provider that Keap partners with to offer an integrated payments solution. Customers use the WePay Merchant Portal to manage their merchant account. [The WePay Help Center](#) can provide you with direct assistance.

WePay Overview

- **Fast setup and easy to use:** Getting paid shouldn't be stressful – WePay makes it simple. Signing up is easy and stress-free (and takes about 10 minutes). Most customers are approved and able to accept credit cards in minutes.
- **Transparent pricing:** Just because you're a small business owner, doesn't mean you should be charged more. WePay charges a low, flat rate of 2.9% + \$.30 per transaction. Funds typically clear within 48 hours. You even have the option to decide how frequently you would like your funds to be deposited. No hidden fees and no surprises mean more of your hard-earned money stays in your pocket.
- **Integrated and painless payment processing:** Tired of calling two different companies for support issues? WePay is seamlessly integrated, from setup to support. So, whether you work out of the office or on the road, you can stop stressing about when and how you're going to get paid – and get back to running your business.

I have a question about payments, should I contact WePay or Keap?
