

Access And Manage Your Product List

1. Go to **E-Commerce > Products** in the main navigation menu.

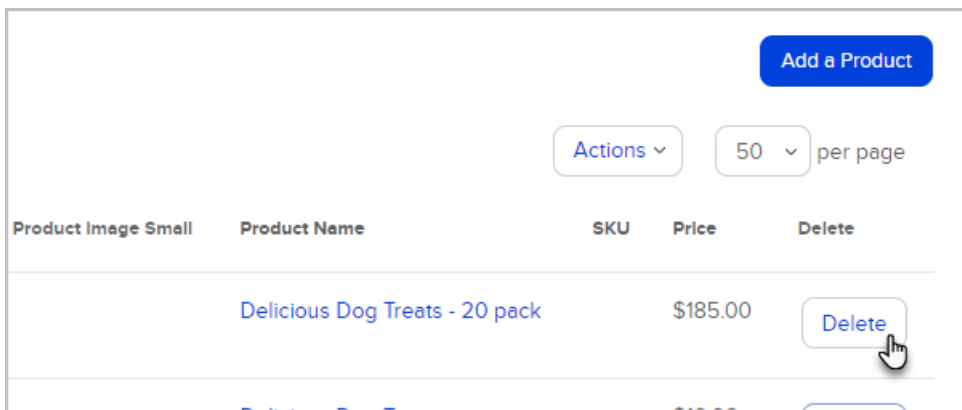

2. From this list you can do the following:

- Find basic information about your products, such as their name, SKU, price, ID, etc.

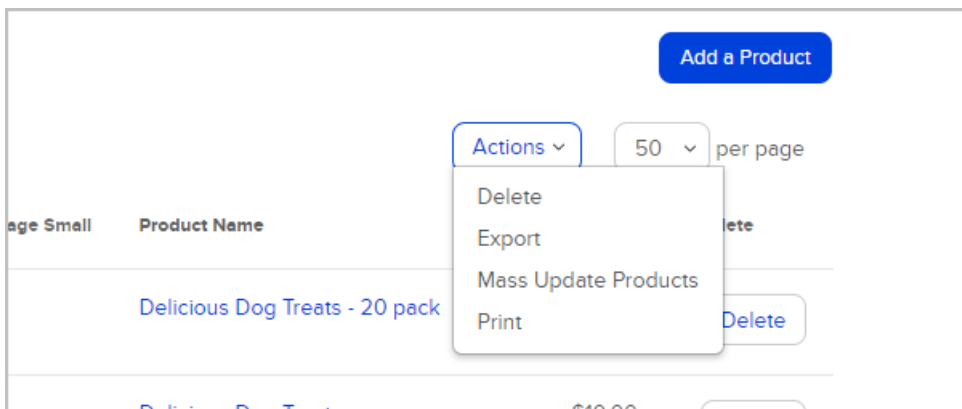

<input type="checkbox"/>	Id ↓	Product Image Small	Product Name	SKU	Price
<input type="checkbox"/>	5		Delicious Dog Treats - 20 pack		\$185.00
<input type="checkbox"/>	3		Delicious Dog Treats		\$10.00

- Delete individual products.

Product Image Small	Product Name	SKU	Price	Delete
	Delicious Dog Treats - 20 pack		\$185.00	Delete
	Delicious Dog Treats		\$10.00	Delete

- Run actions on the product list: Delete, Export, Mass Update and Print your product list.

Product Image Small	Product Name	SKU	Price	Delete
	Delicious Dog Treats - 20 pack		\$185.00	Delete
	Delicious Dog Treats		\$10.00	Delete

3. The product search filters allow you to easily find a specific list of products based on one or more criteria so you can efficiently add and update products on an ongoing basis.
