

Landing Pages - Choose a template 📄

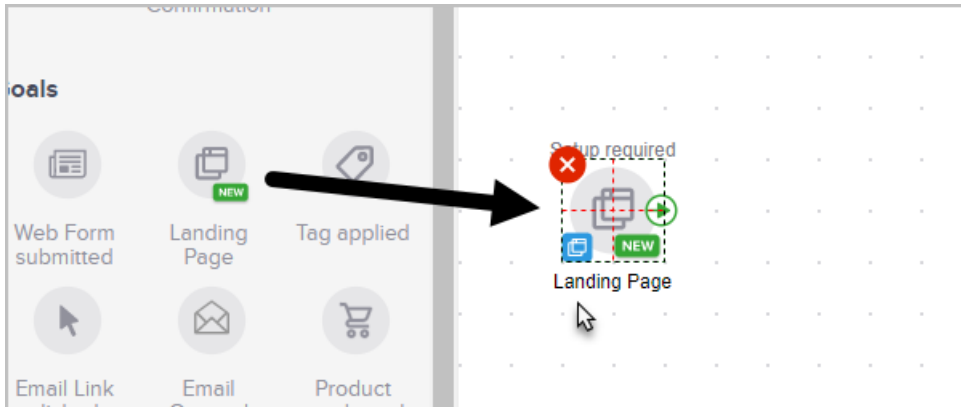

This article applies to:

Max Classic allows you to create beautiful, stunning, mobile responsive landing pages. Get started by choosing a template.

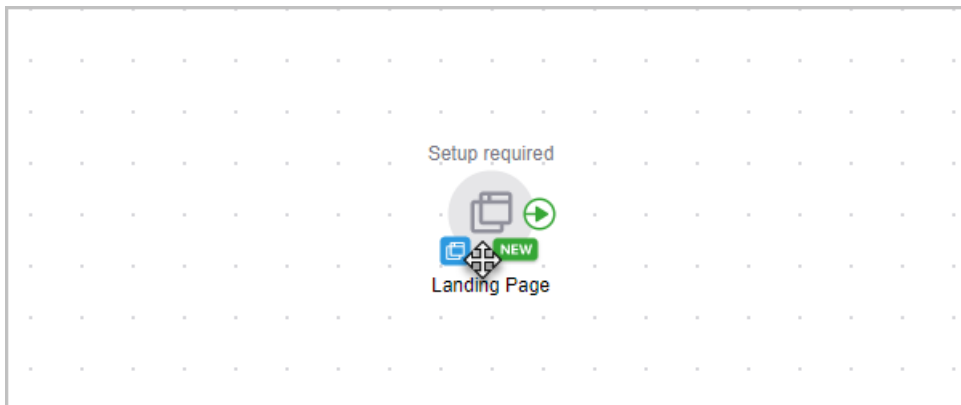

1. Navigate to **Marketing > Campaign Builder**. Then, click **Create my own Campaign** (or open an existing campaign).

2. In the toolbar, under Goals, drag the New Landing Page goal onto the canvas.

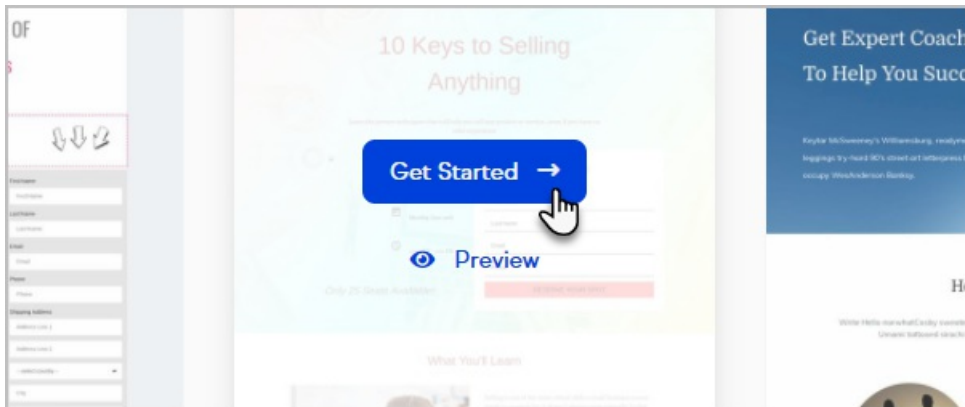

3. Double-click on the center of the landing page goal to open the template gallery.

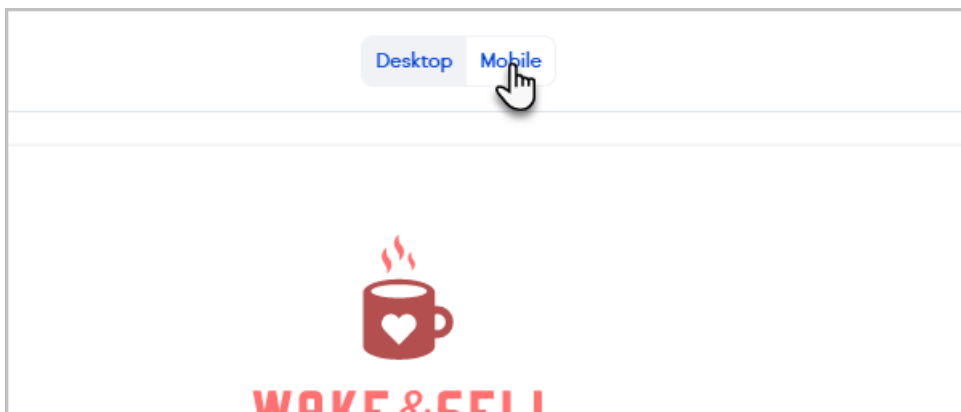

Choose a template

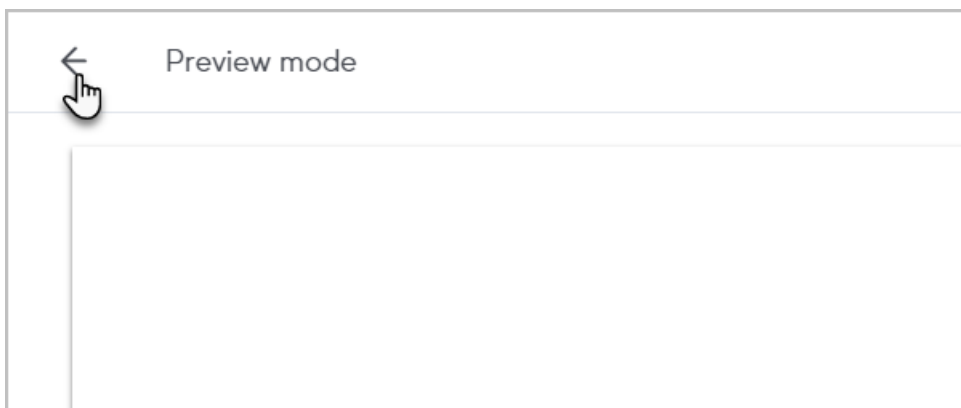

1. Hover over a landing page and click **Preview** or click **Get Started** to use the template right away

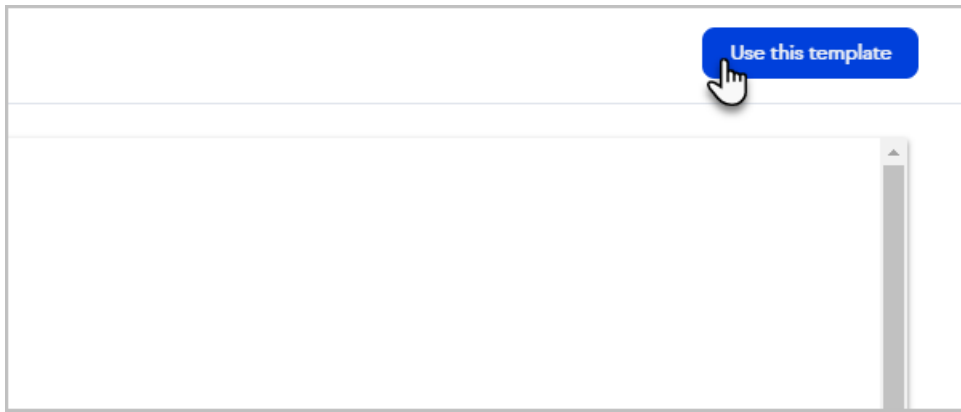

2. When previewing, click the **Desktop** and **Mobile** buttons to preview how the landing page will appear on different screen sizes

3. Click the back arrow to return to the template library

4. Click **Use this template** to edit the template

5. Enter a name for your landing page and click **Continue**

A screenshot of a form titled "Name your landing page" in a large, bold, black serif font. Below the title is a subtitle: "Your site visitors will see this so choose a name that represents your product or company." There is a text input field with a green border containing the text "March training seminar" and a green checkmark on the right side. Below the input field, there is a green checkmark followed by the text "Template name is valid". At the bottom center of the form is a blue button with the text "Continue" in white.

Start from scratch with a blank template

1. Click **Start from scratch**

2. Name your landing page

Name Your Landing Page

Your site visitors will see this so choose a name that represents your product or company.
