

Web Form Tracking Report

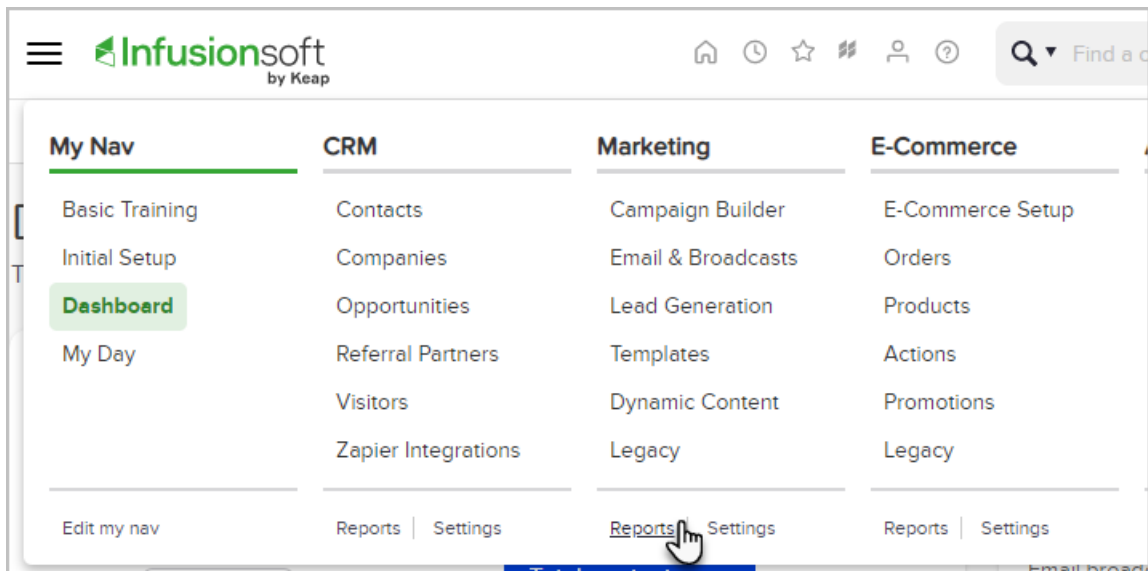

Use the Web Form tracking report to view the Web Form submissions for specific forms within a given date frame.

This report is only for Web Forms and Legacy Landing Page .

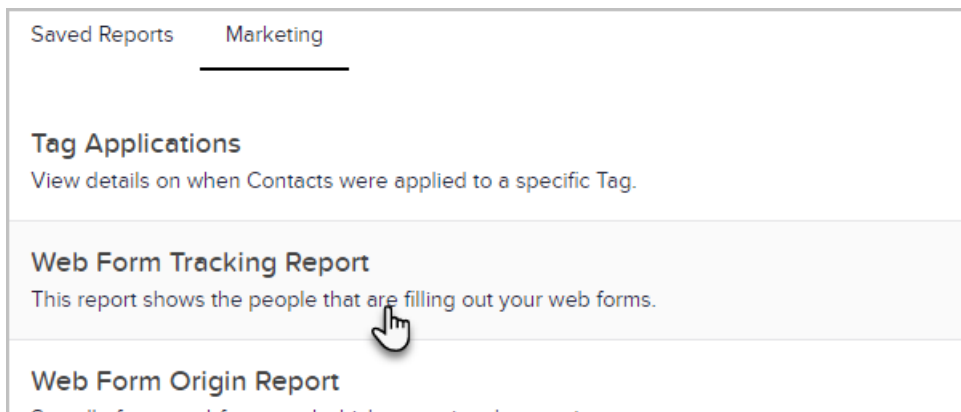

Pro-Tip! Note that "email address" is not available on this report. You can, however, tag your web form tracking search results and use this tag in a contact search

Your browser does not support HTML5 video.

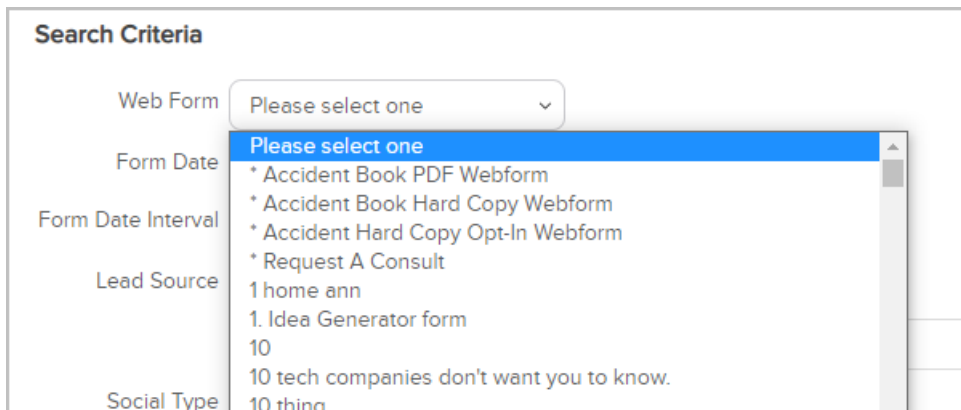

1. Go to **Marketing > Reports**

2. Click Web Form tracking Report

3. Select the Web Form from the drop down

4. Enter a Date range if desired
