Reporting update: My saved reports and searches

Your saved reports list has been expanded to include your saved searches and is now called “My saved reports and searches”. Now you can view and manage any saved reports or searches that you own, making clean up a breeze. [Learn more.](#)

Bug fixes

- Long load times were resulting in errors for advanced searches made between 2 am and 4 am Pacific Time (10 am - 12 pm Coordinated Universal Time).
-
