Reports update: Search through your saved searches and saved reports

Find exactly what you're looking for with the ability to search your lists of saved searches and saved reports. Simply open the menu and type the name of the search or report you want to pull up and select it from the results. Plus, you're now also able to search through the Actions menu on your searches and reports.

Bug fixes

- Merge fields for newly created Linked Contact types failed to populate merge data.
