Funnels in Max Classic

You can create automated sales funnels that encourage customers to increase their commitments.

Email sync recommendations

There is now additional support when emails aren't syncing as expected. We will give you helpful next steps to resolve any connection issues. [Learn more.](#)

Bug fixes

- Whenever a contact with a 3D Secure closed the pop-up without approving or denying, the order was created with an auto-charge that resulted in another charge for the order later
 - When subscriptions ended before their next bill date, they weren't changed to inactive
-
