This article applies to:

## Upgraded email broadcast history page

In this new view you can quickly see, filter, and search your sent, scheduled, and drafted email broadcasts along with high level stats all in one place. [Learn more](#)

## Text message broadcasts

In addition to email broadcasts, you can now send text message broadcasts to your contacts right from the Broadcast page. Leverage the high open rates of text marketing to increase conversion, connect directly with clients, and overcome the chaos of growing your business. [Learn more](#)
