Delete quotes from the contact record

You can now delete quotes that have been sent from within the contact record either by going down to the Orders tab from the expanded contact view or by clicking on Orders from the quick view. [Learn more](#)

Delete quotes in bulk

Max Classic users can now delete quotes in bulk from the Quote Status Search report and then use the Actions button. [Learn more](#)

Unpublish order forms

Now you can toggle order forms off or on. Unpublished order form visitors will be redirected to an error page of your choosing. [Learn more](#)

Bug fixes

- For some contacts or orders paid via Stripe 3D Secure, the payment would not show in Max Classic even though Stripe showed the payment as successful.
