

Toll-free message verification

This article applies to:

[Max Classic](#)

Toll-Free Message Verification is currently required in the U.S and Canada by telecom carriers. Next time you send a text message broadcast, you will be prompted with a verification form to add or update their information before using your Keap Marketing Number. To learn more about Toll-free verification, visit

<https://support.twilio.com/hc/en-us/articles/5377174717595-Toll-Free-Message-Verification-for-US-Canada>

✕ Keap Marketing Number validation

We need to verify some info

New regulations require us to collect more information about your business. Please verify the information below to continue using your Keap Marketing Number.

 If you do not complete this verification, your Keap Marketing Number will be suspended.
