## Toll-free message verification

Last Modified on 11/18/2022 10:24 am MST

This article applies to:

Max Classic

Toll-Free Message Verification is currently required in the U.S and Canada by telecom carriers. Next time you send a text message broadcast, you will be prompted with a verification form to add or update their information before using your Keap Marketing Number. To learn more about Toll-free verification, visit

 $https://support.twilio.com/hc/en-us/articles/5377174717595-Toll-Free-Message-Verification-for-US-Canada\ and the support of the support of$ 

## X Keap Marketing Number validation

## We need to verify some info

New regulations require us to collect more information about your business. Please verify the information below to continue using your Keap Marketing Number.

🔥 If you do not complete this verification, your Keap Marketing Number will be suspended.
